RE: Notice of Return to Compliance, (Consumer Confidence Report)

Dear Public Water System Administrator

The above named water system was previously notified that it was out of compliance with the July 1, 2007 Consumer Confidence Report requirements. Since then, the Water Quality Control Division has received a copy of the required documents.

Therefore, the Meadow Mountain WS is considered to be returned to compliance for this violation.

If you have questions please call me at (303) 692-3308 or email me at cristin.jones@state.co.us.

Sincerely,

Cristin Jones
