| Contact Person: Rachel Barkworth | | Phone: 303-823-2318 | Email: rcbarkworth@yahoo.com |
| Comments: Created Public Notice for failure to monitor or timely report WQP testing before June 30th, 2019, published the PN via email and submitted it to our website on August 21st, 2019. | | | |
| Certification of Accuracy: The water system and agent hereby affirm the Public Notification for the violation or situation identified above has been provided to consumers and any consecutive water systems in accordance with the delivery, content, and format requirements of the Colorado Primary Drinking Water Regulations (CPDWR). I affirm that future requirements for notifying new billing units will be met. I also understand this notice may need to be repeated in accordance with the CPDWR and I must submit this form again with each repeated notice. | | | |
